

Master in Biblical Education (M.B.E.)

The prerequisite for this program is a B.B.E. or acceptable Bible related courses from an acceptable institution. The student must demonstrate ability to perform on a graduate level. The program is designed to provide opportunity for in-depth study for pastors, missionaries, and Christian workers. The following schedule is suggested. Substitution may be made with the approval of the school if warranted by the individual's background and vocational interests. The school reserves the right to determine suitable substitution. The program requires completion of 33 hours of subjects not taken before plus a dissertation of 30,000 words.

Bible Survey.....	6
Biblical Archaeology.....	6
Dissertation.....	3
**Electives.....	3
Theology.....	18
Total Semester Hours.....	36

**Electives may be selected from among subjects not required for that particular degree.
