

Graduate of Theology (Th.G.)

The Institute program is designed for those called into the Lord's service later in life, who lack the academic background for college level work. The work leading to the Graduate of Theology diploma (Th.G.) will provide the student with a general background in bible. The program required the completion of 99 semester hours credit. Specific course selection will be made to best enable the student to meet his personal goals and objectives. A minimum of 20 hours in bible is required. Students planning to work toward a degree at some future time should work in the Associate's program as listed in this catalog.

Associate in Biblical Education (A.B.E.)

This is a two-year program of college level courses to train laymen to minister in their local churches. Below is

a list of suggested courses for the program. Limited substitution may be made with the approval of the school and for valid reasons.
